

Our plans this season offer an unrivalled choice to suit the requirements of every size of vessel, usage pattern and itinerary. Whether the buying decision is based on pure performance or is more value orientated, you will find a plan to fit your needs.

Premium Plan : The best performing tariff on the market.

Access the highest speeds for your vessel's internet solution anywhere on the European med coast. Almost every 4G/LTE network available.

Turkey, Montenegro and Albania included (on request) at no extra charge.

- Flexible tariff, only pay for the data you use.
- Free of charge sharer sims for multi sim routers/iPads.
- Ideal for SpeedFusion Bonding. Bonding performance increases significantly with multiple networks.
- Free suspensions for when data is not required.
- Usage and spend alerts provided by default.
- 100GB minimum commitment.
- No long term commitment – month to month contract.
